**Subject:**       Underground Injection Control (UIC) Permit Application  
Carbon TerraVault 1, LLC (CTV) 26R Project  
Class VI Pre-Construction Technical Review of Application  
Permit R9UIC-CA6-FY22-3, R9UIC-CA6-FY22-4, R9UIC-CA6-FY22-5, and R9UIC-CA6-FY22-6

Dear Mr Hurst,

The United States Environmental Protection Agency, Region 9 (EPA) has conducted a technical evaluation of the proposed Monitoring and Emergency and Remedial Response Plans for the subject permit application. Based on this evaluation, we have identified additional information or clarification needed for continued evaluation of the permit application. These comments are included in the two Enclosures. Some requests contain details that were claimed as Confidential Business Information (CBI). These items have been redacted in the Enclosure. A non-redacted version of the Enclosure will be sent to CTV directly.

Please submit the information requested in the Enclosures by November 4, 2022. If you have any questions about this letter and the Enclosures, please contact me at (415) 972-3971, or Elise Nord at (415) 972-3079.

Sincerely,

David Albright  
Manager, Groundwater Protection Section
